ENGINEERING NEWS-RECORD

A WEEKLY JOURNAL OF CIVIL ENGINEERING AND CONSTRUCTION

Volume 158

★

JANUARY-JUNE, 1957

McGRAW-HILL PUBLISHING CO., INC.
330 WEST 42nd ST., NEW YORK 36, N. Y.

A

Accidents—Elevator fall kills seven Mar. 28 23

Aeronautics

Airports
- Capital City Airport, Lansing, Mich. paves taxiways and apron (unit prices) ....Jan. 10 76
- Colombia's Bogota Airport will be ready by late 1958....Feb. 28 56
- Columbus, Ohio—bid dispute halts project ....Jan. 10 25
- Dallas, Tex. Love Field—an airport with passenger appeal. Mar. 21 (F) *39
- Detroit Wayne Major Airport paves taxiways and apron (unit prices) Mar. 21 128
- Federal funds give cities a chance to fast start on 334 projects Apr. 11 26
- Fort Worth' Carter Field runway will be lengthened for jets Mar. 7 33
- Ft. Worth Texas Airport extends instrument runway (unit prices) May 2 78
- Grand Forks, N.D. air base to get concrete runway ....Apr. 4 26
- Greenland—build-up for better Trans-Arctic bases. Waldo Bowman (map) ....Feb. 7 (F) *30
- Jet age won't outmode U. S. airports May 23 (F) *23
- Langley Air Force Base paving complicated by swamp (unit prices) Apr. 18 124
- Loring Me. Air Force Base for biggest strategic bombers. Feb. 28 (F) *40
  - Wrong railroad. Correction. H. S. Walker, P. Barry....Apr. 11 10
- Nairobi Airport to be completed in 1958 ....June 13 *93
- Newark Airport—radar dome will cap new control tower....Apr. 11 30
- New York's Idlewild Airport—building today for tomorrow's airport May 2 (F) *30
- New York International Airport will be an umbrella-like structure Apr. 11 *25
- New York International Airport will have a 320 room hotel....Feb. 21 *50
- Portsmouth, N. H. Air Force Base for biggest strategic bombers Feb. 28 (F) *40
  - Wrong railroad. Correction. H. S. Walker, P. Barry....Apr. 11 10
- Stapleton Airfield at Denver to get $30-million expansion ....Feb. 14 24
- Texas' executive airport construction work begins ....Apr. 18 *30
- Tokyo's airport will be remodeled to handle jets ....May 30 64

Hangars
- Air Force has developed a maintenance dock to fit contours of big planes ....Apr. 25 *27
- Kansas City's Mid-Continent International Airport—precedent setting hangar now occupied....Apr. 18 *29
- Larson Air Force Base, Wash. undulated thin-shell hangar roof spans big bays....Mar. 7 (F) *44
- Newark Airport's next hangar will have 140 ft. cantilevered trusses Mar. 28 *26
- San Francisco airport—pile load test during an earthquake....Apr. 25 *32
- San Francisco International Airport. TWA starts jet hangar...May 30 *28
- San Francisco International Airport will have largest cantilever to support roof hangar....Feb. 21 *46

Heliports
- Denver's tallest building will have roof heliport ....May 30 *28
- Long Beach, Calif.—Douglas' giant aircraft plant....May 9 (F) *53
- Plattsburg Air Force Base, N. Y.—housing project slated....June 27 34
- Rosecrans Field, St. Joseph, Mo. airfield enlarged (unit prices)..June 27 106
- Sonic boom damage report....Apr. 25 28

Air Conditioning

- Canada—trend has reversal....June 6 27
- Chicago reveals effect of wasted cooling water for air conditioning units Apr. 4 33
- Dallas, Tex. Love Field—airport with passenger appeal features air conditioned piers ....Mar. 21 (F) *39
- How much does it cost to heat and cool homes? ....June 20 40
- Window units are fed air through supply duct in new Seagram building June 13 (F) *45

Air Pollution

- Air pollution controllers turn to radioactive gases for detection....June 27 28
- Gary, Indiana launches one-year air-pollution study ....Feb. 14 60
- New York City promises $22 million yearly to curb pollution....Mar. 21 172
- New York-New Jersey area to be studied by federal-state team Mar. 28 79

Aluminum

- Australia studies plans for $1 billion program to become exporter June 27 92
- FHA adopts the standards for aluminum-window makers ....Jan. 24 48

American Assn. of State Highway Officials—Test road objectives approved June 20 25

American Concrete Institute—53rd annual convention gets report on progress on prestressing code....Mar. 7 27

American Institute of Architects—AIA celebrates centennial ....Feb. 28 e120
- Observes centennial ....May 23 *24
- Pro and con on merits of the architect engineer (table) ....May 23 (F) *42

American Institute of Steel Construction—9th Annual Engineering Conference explores engineering advances..June 6 26

American Road Builders Assn.—Road Show—credit worries shadow road meeting ....Feb. 7 (F) *21
- Road Show—dramatic collection of cranes and shovels at $21-million. Chicago Display ....Feb. 7 (F) *57

American Shore and Beach Preservation Assn.—Beach erosion gets spotlight at Asbury Park, N. J. Session....June 13 88

American Society for Testing Materials
- Adopts new reinforcement specs. at 60th Annual Meeting ....June 27 25
- 60th Annual Meeting — noteworthy papers ....June 27 26

American Society of Civil Engineers—Air Transport Div.—Transport conference hears jet age won't outmode U. S. airports ....May 23 (F) *23
- Buffalo convention hears Seaway story told—in part ....June 13 (F) *25
- Committee seeks standard for pipeline crossings ....Apr. 18 34
- Honorary members ....June 27 27
- Meeting hears challenge of river—and road work ....Feb. 28 26

American Waterworks Assn.—Delves into politics at Atlantic City meeting May 23 (F) 26
- 49th annual meeting told water demands must be met by unified efforts Feb. 14 29

Anderson, Robert A—New treasury chief—same money policy....June 13 (F) *165

Aqueducts

- Old Croton Dam and Aqueduct after 114 years—it was built to last and did ....Jan. 31 (F) *35
- San Diego, Calif. plans bond election for aqueduct ....Mar. 21 33

Arches

- Precast barrel arch sections form the roof of a Calif. high school gym Jan. 31 (F) *45
- Money isn't everything. L. F. Greene Mar. 21 14
- Timber building at Farmindale, L. I. had headroom increased by cutting ties of its roof-supporting arches and transferring the loads to steel frames. Alfred Zweig...May 2 (F) *40
- Two-hinged trussed arches at aircraft plant in Baltimore. E. W. Wolf Apr. 25 (F) *36
- Undulated thin-shell hangar roof spans big bays at Larson Air Force Base, Wash. ....Mar. 7 (F) *44

Architects

- AIA celebrates centennial....Feb. 28 e120
- Candela, Felix—architect for Mexico City's umbrellas. W. G. Bowman (table) ....May 16 (F) *36
- Construction industry profile (chart) Feb. 21 70
- Estimating is for pros. Seymour Berger ....June 27 6
- Pro and con on merits of the architect engineer (table) ....May 23 (F) *42

Associated Equipment Distributors—Meeting at Chicago in conjunction with the Road Show—credit is a big worry Feb. 7 23

Associated General Contractors of America—Rogers, Lester C.—new president; Heldenfels, Fred W. Jr.—new vice-president ....Mar. 21 *99
- 38th annual meeting—Tighter price squeeze coming ....Mar. 21 (F) 25
  - Facts wrong. G. B. Roscoe..May 16 15

Association for Applied Solar Energy—International design contest for solar-heated homes ....Apr. 25 28

Association of Highway Officials of the North Atlantic States—A regional look at road plans—annual meeting..Mar. 7 25

Atomic Energy

- Atomic sewage treatment is technically feasible ....June 27 104
- Dresden A-plant due for construction in spring ....Jan. 3 *26
- Dresden Nuclear Power station footings designed to hold a 190 ft. sphere ....June 6 *25
- GE atom lab to feed PG&E power June 6 *32
- Great Britain awards contracts for three more nuclear plants..Jan. 24 *176
- Nuclear Congress 1957....Mar. 21 (F) 28
- Nuclear congress will ponder power and wastes problems ....Jan. 10 24
- Reactors called safe....Apr. 4 15
- U. S. agrees to help European A-power plan ....Feb. 28 22
- What's different about building atomic power plants? W. J. Grady Feb. 14 (F) *44

Auditoriums see Stadiums

Automation

- IBEW looks ahead, eyes automation maintenance ....Jan. 17 113
- McGraw, F. H. & Co.—a cost system that pays off fast....June 20 (F) *147
- Ohio mechanizes highway design Mar. 14 (F) *37
- Water plant features automatic control ....May 23 (F) *51

Automobile test track—the Michigan Proving Ground completed by Ford Co. May 23 (F) *56

Awards

- Beaver awards to eleven in Los Angeles at annual session....Jan. 24 48
- Horatio Alger Award to John Ware May 23 *84
- Merit awards for high school graduates upped by industry....May 9 32
- 1957 Moles Awards to Lou Perini and Guy Atkinson ....Feb. 14 *24
- Traffic Engineers Award is offered for research ....Apr. 18 26

B

Bach, Ira J.—Chicago's new planning commissioner ....Jan. 17 *73

Beach Protection see Shore Protection

Beams

- AISC code is arbitrary. Louis Balog June 20 10
- Concreted tension flange saves steel June 6 *82
- Deeper rolled beams needed. D. R. Goodkind ....Jan. 3 6
- Deeper rolled beams needed—Rolled-beam depths. F. D. Steiner..Feb. 7 8
- Failures at inflection points. D. H. Lee June 27 8
- Inflection-point stresses. I. E. Morris Jan. 3 6
- Plastic design theory. F. S. Merritt (charts) ....Apr. 4 (F) 38
- Plastic design to the fore....Apr. 4 e168
- Prestressed beams are post-tensioned for Terminal City's bridges at Idlewild ....May 2 (F) *30
- Prestressed beams span 100 feet to support roof at Lafayette market building in Baltimore....Mar. 14 *26
- Prestressed concrete beams protected from near zero temperatures at Calgary, Alberta plant....Feb. 14 *55
- Rubber seats for prestressed beams. J. R. Graves....May 16 (F) *67
- Steel and concrete beams used in novel framing for Los Angeles Courthouse Apr. 11 (F) *52
- Twenty tons of beams go up in one piece ....Apr. 25 *29
- Two-story frame requires less steel when plastic design is used successfully. Prof. D. T. Wright Apr. 11 (F) *59

Berrigan, General Paul D.—To leave Engineers ....June 20 *99

Black, Eugene R.—President of the World Blank ....Jan. 17 *23

Blasting

- Cross Bronx Expressway—blasting in layers because the rock cuts to be made are deep (map)..May 16 (F) *48
- Job-mixed blasting agent tried on Canadian work ....June 20 89
- Salt Lake fill, a big blasting job (map) June 6 (F) *34

Bolts

- Anchor bolts are problem. H. K. Lee May 30 *10
- Seagram Building in N.Y.C. is the tallest office building ever erected with high-strength bolts ....June 13 (F) *45

Bonds

- Chicago voters approve 23 issues for public works program....June 20 150
- Chicago voters will be asked to approve $113 million worth of new bond issues to cover public works improvements ....Apr. 25 (F) *45
- Connecticut sells turnpike bonds Apr 11 141
- Detroit, Mich. public works projects voted down ....Apr 11 145
- Federal help sought for sale of local bond issues ....Jan 10 104
- Kentucky's $100-million road-bond issue awaits test ruling ....Jan 31 74
- Memphis, Tenn. check for biggest electric revenue bond sale ....Feb 7 *132

* Illustrated; e, editorials; (F) Articles over a page

Milwaukee plans sale of $22 million bonds ....Apr 11 142
Phoenix bond issue—public works planned without tax increase June 13 174
Sacramento, Calif. redevelopment pays its way (map) ....Apr 25 (F) *30
San Diego, Calif plans bond election for aqueduct ....Mar 21 33
Wayne County, Detroit, Road Comm. to issue $11.8 million in bonds June 27 136

Book Reviews

Air conditioning-refrigerating data book (Applications volume) 6th ed. W. R. Woolrich, Editor-in-Chief May 16 72
American civil engineering practice Three vol. ed. by R. W. Abbett Jan 17 80
Biological treatment of sewage and industrial wastes McCabe & Eckenfelder Jr. ....Feb 14 72
Building cost manual....Mar 21 123
Composition and properties of concrete Troxell, Davis & Kelly....May 16 76
Computing with desk calculators W. W. Varner ....June 20 96
Engineering structural failures Rolt Hammond ....Feb 14 72
Faster, faster Eckert & Jones..Apr 4 109
French contractor equipment—building, civil engineering, mechanical handling—A special issue of Travaux Jan 17 80
Handbook of rigging 2 ed. W. E. Rossnagel ....June 6 110
Heating ventilating and air conditioning guide 35th ed....Apr 18 118
Irrigation engineering. Vol. II Projects, conduits and structures I. E. Houk ....May 30 76
Just compensation H. J. Kaltenbach June 6 108
Landslides in clays. Alexandre Collin, 1846 ....May 9 104
Mathematics and computers Stibitz & Larivee ....Apr 4 109
Practical accounting and cost keeping for contractors 5 ed. F. R. Walker June 6 108
Practical road construction J. H. Atkinson ....May 30 76
Principles of engineering geology and geotechnics Krynine & Judd..June 27 86
Principles of transportation Mossman & Morton ....Mar 21 123
Principles of turbomachinery D. G. Shepard ....Jan 17 80
Sewage treatment 2nd ed Imhoff & Fair ....Mar 21 124
Sewerage and sewage disposal L. B. Escritt ....Apr 4 109
Standard plans for highway bridge superstructures Bureau of Public Roads ....Jan 24 45
Structures Pier Luigi Nervi....May 16 72
Supplementary notes on structural planning and design—Problems and solutions from past New York P. E. license examinations J. N. DeSerio Jan 17 80
Technical data on plastics Manufacturing Chemists' Association.Apr 25 101
Timber design and construction handbook Timber Engineering Co..Jan 24 212
Bowers, Richard A.—SeaBee officer gets award for Antarctic construction June 13 *105
Breakwaters—Tetrapods—four legs against the sea; first installation in U. S. underway at Crescent City, Calif. and in Kahului Harbor, Hawaii Mar 21 (F) *46

Bridge Accidents and Failures

Tay Bridge—A disaster to remember Jan 17 e128
Tay Bridge probers wrong Sir O. Williams ....Mar 21 10
Windstorm speeds up Toledo expressway plans ....May 16 *23

Bridge Construction

Alaska—Rail pile information R. J. DeLaHunt ....Feb 21 *8
All-welded bridges—survey reveals that 22 states weld bridges...Jan 10 *28
Beam plate and girder bridge over Mississippi River (unit prices)....Jan 3 61
California highway bridge erection dodges floods ....Apr 4 *82
California highway plan calls for 51 prestressed bridges ....Mar 21 42
Carquinez Bridge—hydraulic jets sink caissons ....Apr 18 (F) *38
Connecticut Turnpike's Quinnipiac River crossing at New Haven—superstructure goes on "croquet wicket" piers ....June 6 *28
Contracts booming (chart)....Apr 18 176
Corpus Christi Ship Channel bridge, Tex. will get additional spans (unit prices) ....Mar 14 88
County "rolls its own" in prestressed bridge design (map)....June 13 (F) *57
James River Bridge, Richmond, Va. columns built up with free-standing forms ....Mar 21 *93
Mackinac's record cables spin for 78 days ....Mar 28 (F) *55
New York bridge projects run 100% over estimates ....May 16 23
New York's Long Island RR—bridge constructed and connected to make room for 4 lane highway without serious disruption of train schedules Mar 7 (F) *40
Norfolk bridge-tunnel costs up 22 million ....May 30 104
Pawtucket, R. I. Seekonk River steel-girder bridge cost exceeds estimate by 44% (unit prices)....Feb 14 78
Silt swallows up half the cost of Connecticut Turnpike Bridge May 30 (F) *46
Watt Whitman Bridge between Philadelphia and Gloucester City, N. J. is key to redevelopment of two cities Apr 4 (F) *52
Will Rogers Turnpike bridges built fast D. E. Stevens....Jan 3 (F) *32

Bridge Design

All-welded bridges—survey reveals that 22 states weld bridges..Jan 10 *28
Bascule bridge spanning the Cuyahoga River at Cleveland comes close to record ....Feb 28 *23
BPR publishes standard for road bridges—Penna. Highway Dept. completed similar publication....Jan 24 45
BPR standards—credit omitted Myron Lepakaluk ....Mar 21 10
Europe's longest span suspension bridge on reinforced concrete towers is under construction across Seine River, France (map)....Jan 10 *58
Florida prestressed highway bridge bid price very low....June 13 27
Open-spandrel bridge built on skew near Cleveland ....Feb. 21 *45
Prestressed beams for Texas bridge are seated on neoprene rubber bearing plates J. R. Graves..May 16 (F) *67
Prestressed bridge designed by Suffolk County across Long Island intracoastal waterway (map) June 13 (F) *57
Should bridges be wider?....Jan 17 e128
Structural steel bridges built fast on Will Rogers Turnpike, Okla. D. E. Stevens ....Jan 3 (F) *32
Suspension span of 1,150 ft for St. Lawrence River bridge between Ogdensburg, N. Y. and Prescott, Ont. Mar. 14 *24
Suspension span of radically different design across Lake Maracaibo, Venezuela (map) ....June 13 *28
Swing truss bridge in Swampy area, Louisiana (unit prices)....Apr 25 102
Walt Whitman Bridge between Philadelphia and Gloucester City, N. J. is world's eighth largest suspension span ....Apr 4 (F) *52

Bridge Renewals and Repairs

Chicago bridge split for repairs June 6 *29
New Mexico bridge repair (unit prices) May 16 119
New York to modernize Harlem River crossing ....Mar 21 33
Pennsylvania bridges damaged by hurricane will be repaired by summer Apr 4 28

Bridges

Australia
Narrows Bridge, at Perth Australia will be 1,100-ft long, five-span continuous structure of prestressed concrete ....Jan 3 *50
Brazil
Viaducto das Almas bridge on Rio-Belo Horizonte Highway is supported on stilt-like concrete columns ....Apr 11 *78
Buffalo Bayou twin bridges, Tex. Houston, Tex. takes welded girder span record ....Jan 24 *48
California
Napa Hills highway bridge erection dodges floods ....Apr 4 *82
San Francisco—bridges key features in water-complicated transit problems ....June 27 (F) *23
Canada
Longest plate-girder bridge over the Fraser River in Vancouver, B. C. Feb 28 *55
Carquinez Bridge, Calif.
Hydraulic jets sink caissons Apr 18 (F) *38
Chicago
Michigan Avenue Bridge split for repairs ....June 6 *29
China
Yangtze River span takes shape May 9 *75
Cleveland
B & O bascule bridge spanning the Cuyahoga River comes close to record ....Feb 28 *23
Wilson Mills Road open-spandrel bridge built on skew....Feb 21 *45
Colombia
Bogota plans 430 ft prestressed bridge ....May 9 *75
Connecticut
Turnpike bridge over the West River New Haven—mud makes bridge costly ....May 30 (F) *46
Delaware River
$6 million construction authorized between Yardley, Pa. and Wilburtha N. J....Apr 11 23
Fire Island Bridge
Suffolk County builds Narrow Bay bridge (map) ....June 13 (F) *57
France
Bordeaux will get first new bridge since 1821 ....June 6 102
Seine River suspension bridge on concrete towers (map) ....Jan 10 *58
India
Bridging Ganges is top rank project May 30 *61
Italy
Santa Trinita Bridge at Florence being rebuilt—Ponte Santa Trinita J. N. J. Callaghan....Jan 31 10
Louisiana
Bayou Lacassine swing truss bridge in swampy area (unit prices) Apr 25 102
Michigan
Mackinac's record cables spin Mar 28 (F) *55
Minnesota
Beam plate and girder bridge over Mississippi River (unit prices) Jan 3 61
Missouri River
Forest City, S. D.—big span gets approval from Corps....Apr 11 24
New York City
Bridge projects run 100% over estimates ....May 16 23
New York State
Thruway viaduct sets welded-girder record—Welded girders in Europe G. R. Thalhelmer....Feb 7 8
Oregon and Arkansas interstate bridges boosted over their early problems June 6 30
Pennsylvania
Hurricane damaged bridges will be repaired by summer....Apr 4 28
Walt Whitman Bridge between Philadelphia and Gloucester City N. J. is key to redevelopment of two cities ....Apr 4 (F) *52
Name added C. S. Whitney May 16 10
St. Lawrence River
U. S.-Canada bridge between Ogdensburg, N. Y. and Prescott, Ont. at bid stage ....Mar 14 *24
San Francisco, Calif.
Toll bridge studied to parallel Golden Gate ....Jan 31 28
San Francisco-Oakland Bay Bridge, Calif.
Capacity to be raised....May 9 28
Seattle, Wash.
Seattle bridge questioned H. M. Homer ....Apr 4 10
Scotland
Firth of Tay Bridge—A disaster to remember ....Jan 17 e128
South Carolina
Truss swing span will replace old bridge at Johns Island (unit prices) Jan 10 76
Texas
Corpus Christi Ship Channel bridge will get additional spans (unit prices) ....Mar 14 88
Topock, Ariz.
Two new pipeline bridges across the Colorado River ....Apr 4 *27
Venezuela
Lake Maracaibo bridge design beat U. S. firms bidding for job (map) June 13 *28
Summer start scheduled for Lake Maracaibo Bridge ....Feb 21 236
Virginia
Chesapeake crossing faces political problems ....Feb 28 29
Washington State
Financial-feasibility study of proposed second floating bridge across Lake Washington, east of Seattle May 2 24
Brown, Brig. Gen. C. Pratt—UCAF engineers do a big job....May 2 (F) *46
Brunn, Per—Hydraulics expert heads Coastal engineering course....Apr 18 *102
Brush control—Missouri River levee riprap is kept free of growth by spraying Apr 25 *88

Building Accidents and Failures

Brazil—Rio de Janerio building collapse laid to careless undermining May 9 75
Deck structure fault J. F. Mumper June 20 8

Building Construction

Aldon system mass-produces houses on site ....Apr 18(F) *67
All-concrete food terminal for Southern Railway ....June 20 (F) *67
All concrete warehouse for AF near Sacramento, Calif. ....May 30 (F) *42
Ancient building rebuilt to house museum in Athens, Greece D. P. Barnett ....Mar 14 (F) *76
Another big year of federal spending (table) ....Jan 10 21
Atlanta, Ga.—on-the-spot report Mar 28 113
Big changes in buildings over last 100 years ....May 23 (F) *33
Boom stretches into 1957 (charts) Jan 3 21

* Illustrated; e, editorials; (F) Articles over a page

Building houses by the "team" system in Berea, Ohio.....Jan 17 (F) *33
Correction J. E. K. Krylow...Feb 14 10
Building Research Institute offers some answers on how to build better Apr 18 27
California maps extensive building starts for 1957.....Jan 3 23
Charleston, W. Va.—an on the spot report .....May 9 139
Chicago, Ill.—Inland Steel builds 19-story office building.....Jan 10 (F) *43
Chicago, Ill.—on-the-spot report Mar 14 110
Columbus, Ohio on-the-spot report Jan 3 78
Commercial building begins new boom (chart) .....May 23 111
Contracts lag, others boom.....Mar 7 136
Costs
Builders list ways to cut house costs May 30 26
Industrial boom accents rise in costs (charts) .....Jan 3 77
School costs per square foot in New York State (unit prices)...May 2 78
Where the school dollar goes—twin schools in North Haven Conn. show a 26% rise in two years (tables) .....Apr 25 (F) *65
Daisan Marunouchi Building, Tokyo, Japan—steel-concrete members form frame .....June 20 *90
Dayton, Ohio, research building-cellular concrete floors wired easily Apr 18 (F) *62
Denver, Colo.—on-the-spot report Apr 11 142
Detroit, Mich.—on-the-spot report June 13 *173
Engineering and construction advances pace this $125 million city-within-a-city rising in Dallas, Tex. Mar 28 (F) *45
Factories on the way to automation—big changes in buildings over last 100 years .....May 23 (F) *33
Harlem Hospital, N. Y.—pumps and weight keep hospital out of hot water .....June 20 (F) *46
Harrisburg, Pa.—an on-the-spot report Mar 21 *168
Industrial building boom to continue (table) .....Mar 21 171
Industrial building still strong, NCA says .....Jan 17 109
Jackson, Miss.—an-on-the-spot report May 30 106
Kansas City—on-the-spot report .. Jan 24 263
Laboratory for Monsanto Chemical built almost completely of plastics June 20 (F) *56
An architect's view of plastics B. H. Bradley .....June 20 58
A contractor's view of plastics W. H. Cunliff .....June 20 59
Lease-purchase programs suspended Feb 21 *43
Line-of-duty criticism by officials held libel-free .....June 20 150
Little Rock, Ark.—on-the-spot report Feb 21 289
Milwaukee, Wis.,—an on-the-spot report .....May. 23 116
More space needed to build today's jets—Douglas' giant aircraft plant has a million square feet of floor space .....May 9 (F) *53
Nashville, Tenn.—on-the-spot report Jan 31 74
New York City—14 story apartment house concreting completed in 51 days .....June 27 *29
New York skyline altered by office-building boom .....Jan 17 (F) *40
Oklahoma City, Okla.—on-the-spot report .....Feb 7 *130
Pittsburgh—on-the-spot report Mar 7 144
Plastic design makes possible savings in structural steel F. S. Merritt (charts) .....Apr 4 (F) 38
Plastic design to the fore.....Apr 4 e168
Plastic house erected with large sandwich panels forecasts things to come June 20 (F) *28
Providence, R. I.—on-the-spot report Feb 14 100
Reproducing history .....June 20 e168
San Diego—on-the-spot report..Apr25 132
Seattle, Wash.—on-the-spot report Jan 17 *108
